INTRODUCTION

Owethu Asanda Projects's experienced, innovative and exceptional talented people differentiate its approach to delivering integrated solutions notwithstanding the diversity and complexity of an exponentially changing environment.

Owethu Asanda Projects was established in 2015 by an ambitious of **Mr Zulu Sibusiso**.

It aims to evolve to being a diversified construction, infrastructure development and services group with an established private and public client base at provincial and national level.

Owethu Asanda Projects business approach is encapsulated in its positioning statement of "Structured Ingenuity": The word "structured" articulates **Owethu Asanda Projects** ability to deliver products and services according to a tested methodology. The word "ingenuity" reflects **Owethu Asanda Projects** ethos of meeting challenges with innovative solutions.

What drives our business?

Owethu Asanda Projects relies on the demand for engineering and construction services that support the empowerment of previously disadvantaged sectors of the population.

The Company has a clear strategy of using its collective skills and understanding of markets to develop a unique value proposition to Clients.

BUSINESS APPROACH

Quality management is the cornerstone of **Owethu Asanda Projects** operational culture and business approach.

Owethu Asanda Projects operational structure is supported by an integrated quality management system that underpins every aspect of its operations.

By strategically positioning quality management at the heart of its operations,

Owethu Asanda Projects has bound together the full value chain of an infrastructure company, thus embedding the concept of a triple bottom line management culture, which is central to reinforcing sustainability and delivering a quality outcome to all stakeholders.

OUR VISION

To be a respectable building contractor delivering beyond expectation, always.

OUR MISSION

To procure projects at competitive pricing, provide safe working conditions and deliver quality work within reasonable time frame.

OUR VALUES

In whichever environment we operate in, **Owethu Asanda Projects** strives to live by its core values of:

- People
- Excellence
- Transformation
- Customer Focus
- Innovation
- Integrity and
- Performance

Safety, health and environmental management

Owethu Asanda Projects safety, health and environment (SHE) policy and practices centred on a zero-harm philosophy towards people, host communities and the environment. Although the Company aims to operate in different markets spheres with differing governance standards, it consistently enforces a standard approach to SHE and does not compromise its standards of conduct when operating.

The Company's "Stop for Safety" programme is a non-negotiable minimum standard for all operational structures and is driven at all levels throughout the Company.

SUSTAINABILITY

Owethu Asanda Projects Social Economic Development (SED) strategy is about empowering the communities in our project catchment areas with resources, support and skills that ultimately lead to better lives. **Owethu Asanda Projects** aims to spend 1% of its net profit after tax (NPAT) on community projects and non-profit organisations.

The Company SED programme has three key focus areas that overlap each other for sustainability:

Education and Training: with particular focus on Early Child Development, Maths, Science, Environmental science and Technology education.

Social development: investing in community development programmes, HIV/Aids awareness and other emergency-related initiatives such as disaster relief and ad hoc sponsorship.

Economic development: with particular emphasis on promoting the sustainable creation of employment, particularly for marginalised and unskilled groups such as women and youth.

BLACK ECONOMIC TRANSFORMATION

Owethu Asanda Projects is Broad-Based Black Economic Empowerment (BBBEE) Co-operative that has 100% Black ownership.

The Company is currently a level one rated organisation and strives to be the most empowering organisation in this (Construction and Civil) sector in South Africa.

Employer of Choice

Owethu Asanda Projects strives to be the employer of choice in the industry and offers a compelling proposition to employees which include:

- Experienced management and leadership
- Continuous development through the on the job learning
- Competitive remuneration and reward
- Growth opportunities in the organisation
